| | The infrastructure will not be able to cope as the village will become nearly twice it's size. A massive increase in the number of vehicles will cause further congestion and issues with parking especially around the village green and school area of the village. Can the roads cope with heavy construction vehicles on a daily basis for x amount of months. No! The school also isn't big enough to accommodate many more children. No bus service. The development will have an impact on the beautiful environment that surrounds the village with an impact on wildlife and climate change. Thrussington village itself will lose it's charming appearance and character.<br><br>So NO NO NO to 90 new houses in Thrussington!!!! | No | |
