WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
[redacted] I am horrified by the proposed housing development in the Woodthorpe area. This green field area has already suffered huge over development, without the necessary infrastructure and community facilities. The roads are already dangerously congested, doctors and schools unable to cope, and huge areas of high quality agricultural land have been lost. Further development in this area will see the green wildlife corridor between Loughborough and Quorn virtually disappear, with just one field separating them. This coupled with the proposed gravel quarry adjacent to the one ash roundabout, would mean seeing irreversible loss of open space, farm land, wildlife habitat, flora and fauna, and place impossible pressure on already congested roads and over stretched services. The proposed development disgusts and appalls me and I strongly urge that the plan be changed to prevent this area of land and the beautiful village of Woodthorpe from being lost for ever.
