WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
Dear Council I'm concerned the affect of wildlife in the Syston to Barkby fields on the proposed site HA1. We have Fox, Badgers and Hare's using the field. What open wildlife space, will there be left for them? We also have Skylarks, House Sparrows, Pheasant, Partridges, some which are on the Red endangered list. With Hamilton creeping closer and losing fields, I'm concerned that this will threaten the wildlife even more. Also Asda roundabout can't cope with extra traffic now, with more traffic around the pollution levels for Syston and Thurmaston will increase. Please consider the above, thank you.		No
