Post Room

[redacted]

I am writing regards
the Gladman plans for more
houses, in our area. The size of
the development is way over the top!
The schools and Dr's surgeries
will be overwhelmed.
The amount of traffic for our
village and neighbouring villages, plus
the loss of space between East Goscote
and Rearsby.
Too many builders dont think
about the people who need a "starter
home" a garden for children to play in
not a great "mansion" with no garden
Not enough thought has gone
into this plan.

Yours sincerely
