Re Proposed 90 new Houses in Thurmaston LE4.

Dear Sirs

I agree with the form I received for feed back on the Problems this Planning application would course to the Village. my wish is for Thurmaston to remain as a Village.

I have a 6 acre Paddock which is next to the Proposed Site and was asked if I wanted to sell it to the developer I refused even if they gave me a price it would be no.

Yours Sincerely

Sorry about the writing I'm only 90 years old
