Subject: Anstey Local Planning Development

To whom this may concern,

I'm emailing to objectify against the local planning development in Anstey.

The proposed plans will have a huge impact on village facilities: doctors, schools, dentist, shops etc as well creating major traffic, pollution and parking problems throughout the village.

I also feel adding and/or expanding existing facilities is not the solution, it will just take away from village life and destroy our natural surroundings.

[redacted] was drawn to Anstey for its village status, family appeal and vast green space which these developments seek to destroy.

I urge you to consider the above before permitting these developments to go ahead.

Many Thanks,
Kylie Batts
