Subject: Charnwood local plan 2021 37

Good afternoon,

I wish to appeal against the planning applications for the sites around Queniborough, please see below;

- The crossroad is getting very dangerous to cross over due to the volume of traffic
- The schools are already full
- [redacted] and it's a struggle to turn right onto the main road due to cars racing through the village coming off the roundabout
- There are already more houses being built in Barkby which will cause more traffic due to Queniborough being used to cut through, this will also make the crossroad busier than it already is.
- We always struggle to get doctors appointments due to the volume of patients they already have
- As things are at the minute it's quicker to get to Sainsbury's on the Melton road than driving to the centre of syston due to the amount of traffic that already uses syston to cut through to elsewhere.
- Queniborough will no longer be a village as it will be joined up with Syston and East Goscote.

Your sincerely,
Christine O'Brien
