WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
The map of HA43 doesn't offer a detailed enough view for local people to understand the impact to them and their surroundings. The proposed plan appears in very close proximity to a conservation site, but due to the drawing not being detailed enough, we are unable to make precise judgement on the proposed plan. If a more detailed visual is available, please could you offer a link to it? Thank you kindly		No
