I understand we need housing. I work in the construction industry, we're building everywhere. Its seems we just keep making the urban footprint bigger. We only get to build bigger once - that's it. The rural facilities are lost forever, not just for me, for now, forever. I use the rural landscape around the perimeter of Loughborough, every day, for my whole life. I raised my children and two dogs in the landscape. I want my grown up children to enjoy the rural landscape and their children, too. We build on it - it's gone. Don't do it. I walk to Quorn through the countryside. I don't want to walk to Quorn through a housing estate. I walk to the Outwoods through the countryside. I don't want to walk to the Outwoods through a housing estate. Thank you for considering the views of a citizen of Charnwood. Please do not build on the view for a citizen of Charnwood.
