WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
1 Loughborough is a town that cannot sustain any more large building develment 2 There are other areas of town which would not affect people's mental and physical well being 3 There are areas north of town that would be more suitable for development north of the railway station Which is the main line from Sheffield to London adjacent to the main A60 Nottingham road 4 This would not take up land on the most beautiful side of Charnwood area 5 Local people have not had the opportunity to be part of the local development plan. We have been let down by local councillors who have agreed to build on a area of outstanding countryside		No
