WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
Queniborough has a Neighbourhood Plan in place until 2028 but the new plan ignores it completely. Government policy states that where a NP has been brought into force, the local planning authority should take its policies and proposals into account when preparing the local plan (Para 006 Ref ID: 61-006-20190723. Site HA64 Land at Threeways Farm Planning applications for this site have been repeatedly refused. The NP rules out development of this site. Site HA65 Land off Melton Rd This just splits the development at Threeways Farm and leaves no area of separation between Queniborough and East Goscote. Site HA4 Queniborough Lodge This land is in Queniborough and is included in the NP. It should not be deemed as Syston land, which clearly it isn't as it lies over the boundary into Queniborough. To say this land belongs to Syston is just plain wrong and is nothing short of theft. Charnwood must take Queniborough's Neighbourhood Plan into account for a minimum of 3 years. HA2 and HA3 Land at Barkby Road, Syston These proposed developments will again leave no area of separation between Queniborough and Syston and will mean increased traffic and therefore air pollution through Queniborough village.	Charnwood must take into account Queniborough's Neighbourhood Plan.	No
