WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
I object to the planned development marked HA16 on the strategy map. As a resident of a house whose property and land runs alongside Laburnum Way, I object for the following reasons: - Traffic generation on Laburnum Way which will effectively become a 'through road'. - pulling out of Buttercup Road onto Laburnum Way will become hazardous with increased traffic as turning right is already partially blind. - Noise and disturbance from permanent increase of traffic and temporary building traffic/noise generated on Laburnum Way. Particularly as the side of my property and my garden is only separated from Laburnum Way by a fence. - Inappropriate development that infringes on the countryside. This area is used frequently by local residents, building on the countryside would have a negative impact on local residents' physical and mental health, not to mention local wildlife.		No
