To whom it may concern

I absolutely reject the idea of another housing development in Anstey. There have been at least 4? Developments in the last few years. I live off Bradgate road and traffic into Anstey and along Groby road is already high. I have young grandchildren and are concerned about the impact on mental health with reduced green space and the impact on the air and environment. I am retired and chose Anstey because of the location so near to open green space. We live in uncertain times and saving our plant is so important to me and I hope to you.
Please register my concerns and disapproval of this development.
