Subject: Development HA43

[redacted], I would like to raise my objection to the above development in Anstey, Charnwood. Already the village is “gridlocked” in the Nook and cannot cope with the extra volume of cars which has occurred over the past few years with numerous developments in the village.
The natural surroundings and wildlife are being detrimentally affected and there isn’t the capacity at the local health services to cope efficiently with the extra demand created.
Should I need to document my opposition in another document, please advise at your earliest opportunity Yours
Eileen Pearson
