WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
I object to the plans for housing as outlined in the Local Plan site diagrams HA15-HA18 The plan (HA15) to fill the area behind Woodthorpe with houses would destroy a unique rural setting and also spoil walks along a footpath which currently runs through open fields. It will also reduce even further the small open space between Loughborough and Quorn which has already been eroded by recent house building. Similarly plans HA16-18 would create built up areas in green space that is currently well used by many people. If more houses are needed why choose natural green spaces that are currently enjoyed by local residents for walking and recreation? If residents were properly consulted regarding these plans I doubt there would be any support for allowing houses to be built in these natural, green spaces which once built over will be lost for ever.
