Ms Maggie McHenry	No	No	No	Policy, Paragraph, Policies Map, Diagram	all of them	all of them	all of them	plans to build 700+ house at barrow	

WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
the infrastructure of the village will not safely sustain another 700 houses- GP already over subscribed as are the schools. We are seeing an increase in wet weather and the area flood easily at least annually making access across the soar valley ferry difficult. more houses will add to this. the access roads across the valley are just not suitable for this development with the sizeof roads and the access esp across the valley. There is extremely limited parking in the village centre and its not enough for the current size of the village let alone another 700 houses. will loose community cohesion and lose its identity asa village. The builders are very disrespectful of land and nature and ancient hedgerows will be destroyed. not even a post office or bank here anymore. prestwold lane also floods as does cotes road in areas, plus the soar valley-this will be made much worse by run off from so many new houses.
