## WELCOME to the Summer edition of Charnwood

### News.

A theme which runs through many of the articles is what the Council is doing to try to make our Borough as healthy, safe and clean as possible – in other words, to give us all a good environment.

We want to make it as easy as we can to recycle garden waste. That's why we've recently reduced the charge for the Brown Bin service from £26 to just £15 a year for people paying by direct debit.

We're also giving away 50 subscriptions to the service. Please see the item on page five for details.

CCTV cameras are now monitored from the Council offices 24/7 to improve safety and we're continuing to crack down on fly-tipping and prosecute offenders.

To promote use of our leisure facilities we're offering new incentives for our Wild Card holders.

We're also aiming to strengthen our excellent sporting links with

# Improving your environment!

has provided an update on the Connect2 scheme and is also appealing for new 'lollipop people'.

There's University news too, with the regular column from the President of the Students' Union.

You'll also find an update on the Local Development Framework and a What's On in Charnwood guide.

All in all, I hope you will find Charnwood News interesting while giving useful information about our Borough.
