IT is a pleasure to be asked to contribute an introduction to the Summer Edition of Charnwood News.

The magazine is produced by the Communication, Consultations and Partnerships Team at the Borough Council and is designed to be informative about events in the Borough in an interesting and lively way.

This edition features a report on the Freedom of the Borough Parade in June.

There is also a "behind the scenes" look at the recent elections as well as contact details of the councillors elected in May in our pull-out guide to Council services.

You will also find stories about Council parking enforcement, the latest on Charnwood 2021, a look at Streets Alive and a focus on Syston.
