

Shelthorpe Community Association

Dear Community

Hello, as Chair of the Shelthorpe Community Association (SCA) I **NEED** your help. The SCA was formed to represent the views of all residents within the Council Ward of Shelthorpe, and works towards ensuring that their best interests are served. This means **you**.

SCA has a number of aims, including encouraging a sense of community, and improving services to the community and the local environment. We already have a strong partnership with Charnwood Borough Council, local Councillors and a dedicated small team of people who help whenever they are needed.

SCA has **major concerns** with the level of **safety** on the Epinal Way Extension as it passes through Shelthorpe. We think you will agree that the speed limit of 40mph is too high for a road going through the heart of a residential estate.

An active member of the Group, Councillor Neville Stork recently experienced the dangers of travelling on this road and is determined to increase the safety levels wherever possible. We seek your support to achieve this.

Highways will not act until an accident occurs! This means that one of our children, an elderly mother or father, a brother or sister could be seriously hurt or even killed before anyone will act. Help us to act **before this happens**.

HELP US, HELP YOU
