

Equality Impact Assessment Report

Name of policy, procedure or function: Partnership Management Function				
Service Area: Communication, Consultation and Partnerships		Team Members: Steve Phipps, Verity Graham and Sarah Cromie		Date: February 2007
Findings				
<p>The partnership management function is a new function that is aiming to improve the way we work with our partners and the quality of what is delivered in partnership.</p> <p>This assessment covered two aspects of partnership management: Partnership Clusters - agreements for partnerships for example Community Strategy, Community Safety Strategy and Partnership Management</p> <p>The main equality issue with this area is the process of embedding equality and diversity values within our partnership structures through putting requirements in place for partners and ensuring fair representation on key strategic partnerships.</p>
