New Year, New Activities, New Rangers

Welcome to our new Play Ranger spring programme. We would like to introduce our two new Play Rangers Linda Savage and Sue Monk. The new Rangers are looking forward to delivering sessions around Charnwood, so why not pop along to a session and say hello. The Rangers are always looking for new play ideas so if there is something you would like to see in your area get in contact.

2010 sees the introduction of some new play activities including Puppet Play – giving you the opportunity to design, make and play with your own puppets – with the opportunity to perform. The term also sees the return of some well loved classics including dance, drama and the ever popular mini movers. With further sessions to start after half term and a full range of activities planned for February & Easter holidays what are you waiting for – get PLAYING!!!!

All activities are completely FREE

For more information on any activity, session updates or to book please contact Linda or Sue on 01509 634673, email linda.savage@charnwood.gov.uk / sue.monk@charnwood.gov.uk or look online at www.charnwood.gov.uk/pages/playrangers
