RADAR KEY SCHEME

How to obtain a Radar Key

The council now provides RADAR keys free of charge to all disabled people in the Borough.

RADAR keys are part of a National Key Scheme set up by the Royal Association for Disability and Rehabilitation to ensure that accessible toilets are kept safe and free from vandalism.

There are more than 6,000 toilets around the Country that now use the Scheme.

The Borough Council currently has 15 National Key Scheme toilets (details of which are available upon request).

RADAR keys are available from Charnwood Borough Council Offices, Southfields Road, Loughborough, (some form of identification and proof of disability will need to be required).
