Dear Mr Longley

INSPECTOR'S REPORT INTO OBJECTIONS TO THE CHARNWOOD BOROUGH LOCAL PLAN - REQUEST FOR CLARIFICATION

I refer to your letter of 31 July 2000 requesting clarification of certain points contained within the Inspector's report.

The matters have been raised with the Inspector, and his response has been submitted in the form of an addendum report. A copy of the addendum is attached. This should form part of the Local Plan report and be published accordingly.

CHAPTER 7: TRANSPORT AND TRAFFIC MANAGEMENT

Paragraph 7.147

It is agreed that as Further Proposed Change 180B would widen the circle of consultations to include the Parish and Town representatives it should be supported. Consequently, the report should be modified by the addition of the following sentence in line 6 of paragraph 7.147 after the 4th sentence:

“Some of the residents’ fears would be assuaged if the Council were to consult more widely with local representatives about cycleway plans and I therefore support FPC 180B which would have the effect of including them in the consultation procedures. (see addendum).”

Paragraph 7.148

As a consequence, Recommendation (i) should also be modified by the addition of the words “and FPC 180B” after the words “PC 180”. (see addendum).

Yours sincerely
