Disclaimer: The information and advice contained in this form is **NOT** a formal determination under S192 of the Town and Country Planning Act 1990. If you require a written determination on the requirement for planning permission an application for a Certificate of Lawful Proposed Development is required to be submitted with the relevant fee and documentation. Form 15 together with guidance can be downloaded from our website [Charnwood Borough Council - Downloadable Forms](#) or you can also make an online application through the [Planning Portal](#) . Applications for Planning Permission can also be submitted this way. To view the legislation please follow this link [The Town and Country Planning \(General Permitted Development\) \(Amendment\) \(No. 2\) \(England\) Order 2008](#) (Refer to Class E)

Note: If you wish your proposal to be registered please return a copy of this completed form then we will record the information in our database and display on our website.

Guidance: The term "original house" means the house as it was first built or as it stood on 1 July 1948 (if it was built before that date). Although you may not have built an extension to the house, a previous owner may have done so and you should check that there are no restrictive conditions on any planning decision relating to the property. Please follow this link to our [interactive maps](#) where you can check planning history, if "Permitted Development Rights" have been removed or if your property is in a Conservation Area or is a Listed Building. If your house is a Listed Building then Listed Building Consent is likely to be required even if planning permission is not necessary.

Our Building Control department has also created a series of [Self assessment forms](#) for you determine whether or not the work you are intending to carry out is exempt from Building Regulations requirements.
