

BOROUGH OF CHARNWOOD LOCAL PLAN- SAVED POLICIES

The Borough of Charnwood Local Plan was adopted on 12th January 2004. Over time it will be replaced by the Charnwood Local Development Framework. Under the Planning and Compulsory Purchase Act 2004 policies in the Plan were “saved” for a 3 year period ending on the 27th September 2007.

The Secretary of State has recently issued a direction to save a number of policies in the Local Plan beyond this 3 year period. Local Plan policies not listed in the Direction expired on the 27th September 2007. **They no longer form part of the development plan and will not be used for making decisions on planning applications.**

This schedule sets out the status of each Local Plan Policy following the Secretary of State's Direction.

Policies highlighted in **bold** are saved and remain part of the development plan and will continue to inform decisions the Council makes on planning applications.

Policies highlighted in *grey and italics* expired on the 27th September 2007 and no longer form part of the development plan and will not be used for making decisions on planning applications. Where policies have expired the schedule explains why these policies no longer apply and where appropriate signposts relevant national planning policy dealing with the issue.
