

10. Syston Town Council

Good afternoon

Syston Town Council considered the neighbourhood plan for Cossington at its meeting held on Tuesday, 6 June.

Council thanked Cossington for their courtesy in advising Syston Town Council of the proposed plan and made the following comments:

Support for the encouragement of using bus services provided.

Concern for expectations that Syston Schools can mop up schooling needs from Cossington, Syston schools are already full to capacity.

Likewise with healthcare – Both Syston GP practices are already full.

Thanks and regards

Kind Regards

Catherine Voyce
