Development Control  
Charnwood Borough Council

24<sup>th</sup> May 2021

Dear Planners,  
P/20/2380/2 150 houses off Barkby Road Queniborough further comments from Barkby & Barkby Thorpe Parish Council

To the objections made in Barkby & Barkby Thorpe Parish Councils submission on 23<sup>rd</sup> February 2021 these supplementary objections should please be added.

1 Underlining the opportunistic and unacceptable nature of this application Barkby & Barkby Thorpe Parish Council notes that site chosen is not even in the draft Charnwood Local Plan and therefore does not merit consideration.

2 The traffic generated by this estate should it gain planning consent will add to the congestion in Barkby as well as Queniborough at a time when Barkby's narrow and winding streets will be experiencing the growing impact of traffic generated by the phase 1 development of Thorpebury.

On behalf of Barkby & Barkby Thorpe Parish Council

Carla Cunningham-Atkins  
Clerk to Barkby & Barkby Thorpe Parish Council
