=====

Dear Carl

I have received comments today from a third party who was asking why there hasn't been an ES submitted. I assumed that he was referring to the Ecology Report but the customer is under the impression from somewhere that an EIA is necessary. I don't think the site would necessitate the need for one but I am asking as I don't know if this was something previously discussed with Jeremy the previous case officer. The local Ward member has picked up on this and is asking the same question. I have advised that I don't think it's necessary but that I would check with the agent. Am I missing something?

Yours sincerely

Ann

Senior Planning Officer
Southfields, Southfield Road, Loughborough LE11 2TN
