Dear Carl,

I note your comments and I am in agreeance. I will respond back to them to advise that it doesn't require an Environmental Impact Assessment.

I called your office and spoke to Nicky if you want a quick chat to discuss then please give me a call on my mobile this afternoon as she said that you are in a meeting.

The comments have been raised by someone who has objected to the proposal and I think that they may have got the wrong idea possibly.

Yours sincerely

*Ann*
