Mark

I note the attached consultation response has been submitted by LCC, dated 9th February 2022, which determines that no education contribution is required in association with the proposed development, presumably given greater capacity at schools given the passage of time since the original calculation a year ago. Can you please confirm that this will be addressed in the Heads of Terms and supersedes the earlier requirement for a contribution of £89,558.76?

Kind Regards
