

Dear Mrs Brooks,

We, John Edmund Mansell and Jane Mansell, the landowners of the land at Barkby Road,

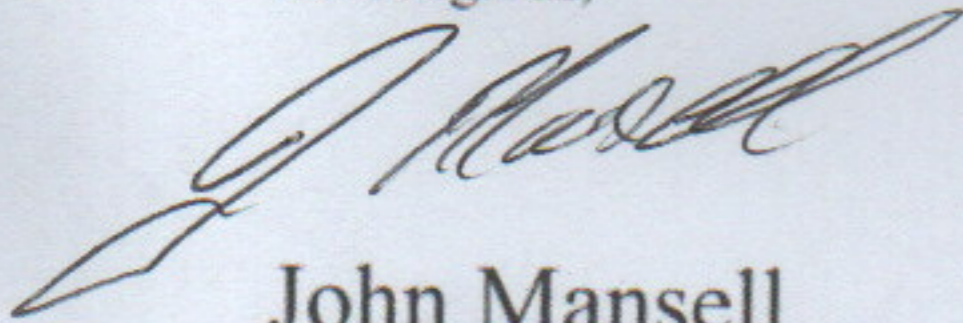

Queniborough confirm that as of 8th October 2014 Mather Jamie have been instructed by ourselves to act as agents of the aforementioned land and represent ourselves in our agreements with David Wilson Homes East Midlands.

Mather Jamie as agents are instructed to act on our behalf in relation to the land and planning matters and we consider this to reasonably include receipt of any statutory planning notices associated with the land.

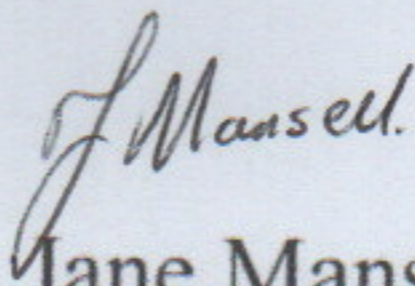

Mather Jamie have kept us fully up to date in respect of the land and we are in communication regularly. Similarly, David Wilson Homes East Midlands have kept ourselves and Mather Jamie fully informed as to the status and next steps in respect of their planning applications and now appeal on the land. Updates are regular and this includes for example matters in relation to the additional tree planting on land within the blue line, which was fully agreed between ourselves, Mather Jamie and David Wilson Homes East Midlands prior to any submissions being made to the appeal.

We are fully satisfied that we have been kept informed throughout the process and Mather Jamie have acted in accordance with our interests and their instruction.

Kind regards,

John Mansell

Jane Mansell
