*Your emergency 24 hour response service*

## WHO IS IT FOR?

Lifeline is for anyone who would like a little extra reassurance.

It is especially beneficial for:

- Older or disabled people
- People in poor health
- Extra security
- If you have had a fall or injury

---

***You will need a live landline telephone point and plug socket to power your Lifeline unit or we can provide a GSM Lifeline which uses mobile networks for an extra £1.55 per week.***

---

## HOW DO I APPLY?

We offer a free no obligation demonstration. To make an appointment contact the Lifeline office or visit our website.

## FALL DETECTORS

For an additional £7.80 per quarter we can also provide you with a fall detector.

*A Lifeline to feeling safe and secure in your own home.*

## OUR SERVICES

We're an emergency response service which provides 24-hour, 365 days a year support to vulnerable and elderly people.

---

You'll have a pendant and Lifeline alarm installed. They can be activated in case of emergency, such as sudden dizziness, shortness of breath or a fall.

---

***You will also get a keysafe, a secure coded box which holds a spare key, so our on-call wardens can reach you in an emergency.***
