Dear Sir/Madam

Please accept this letter outlining my objection to the proposed housing development adjacent to Cliffe Road and Henson Close Birstall.

Yet more of our so called Green Belt will be taken up depriving the local people of a mental and physical relaxation area.

The access to the site will be via unadopted roads, ie Park Road from Fielding Road corner and Cliffe Road.

Both Henson Close and Cliffe Road are too narrow to accept yet more traffic, without the chance to widen. This would cause great disruption to the area whilst under construction. Hardly worth it for the sake of 35 dwellings.

I understand there are underground water mains running through the proposed site.

Yours Faithfully

J.A. Beckett
