WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
While I admit I have had little time to scrutinise all of the documentation, I can find no analysis of the impact on traffic of the road flooding that is a frequent occurrence in the Slash Lane area and has a significant impact on traffic in Sileby and Barrow. Further housing to the extent planned for Barrow, in particular, will exacerbate what is already a significant problem. Why is this well known problem not addressed in the papers?		No
