<p>Having resided in Shepshed for the last 32+ years there has been little or no improvements in services to the growing community.</p> <p>The centre is similar to when it was the largest village in England before it was changed to a town.</p> <p>There has been minimal road improvements nor investment in the shopping area. Yes, I know that there is some changes to the Market Place and Bullring areas but these are cosmetic.</p> <p>A considerable amount of housing has been and is being built on the west side of Shepshed but no shopping, health centre or schools have been built.</p> <p>Tickow Lane is a country road used by heavy goods vehicles shortly to be surrounded by housing but no road development is planned.</p> <p>When the M1 motorway is block the majority or traffic then comes through Shepshed. A by-pass (Ring Road) is needed between the A512 and Hathern to the west of Shepshed.</p> <p>I well know that all Highways problems come under Leicestershire County Council but Charnwood Borough Council has a duty of care to ensure the residents of Shepshed are well looked after besides health, welfare, shopping and transportation.</p>	<p>Act on what has been all ready planned and improve on what is proposed.</p>	<p>No</p>
