**Subject:** Stop the HA43 development

To whom it may concern,

I absolutely reject the idea of another housing development in Anstey. There have been at least 4? Developments in the last few years. We live on Bradgate road where traffic into Anstey and along Groby road is already high. We have young children and are concerned about the impact on mental health with reduced green space and the impact on the air and environment.

I would like to see the Developers live in an area with all this development. We don't want to live in a sea of concrete.
