To the Planning Department

I would like to respond to the invitation to comment on the Pre-Submission Draft of the new Charnwood Local Plan and have downloaded the Response Form. The reason for this email is to enquire about your process for dealing with responses.

I see that the form requires me to complete some personal details. These are followed by a box for comments.

Specifically:

- (1) I do not wish my personal details to be made available publicly for personal and security reasons. Can I be assured that this will not happen?
- (2) In relation to my comments, how are these displayed to the planning committee and are they available more widely?

I look forward to hearing from you.
