WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>Objection to building on HA16 &amp;HA17</p> <p>1 This is the most beautiful part of Charnwood you are choosing to build on</p> <p>2 These fields have nesting Skylarks in them each year and are a habitat for Buzzards and Egrets</p> <p>3 The views across these fields to the Outwoods are vital for our mental and physical well being</p> <p>4 They should be protected forever so future generations can enjoy the peace and quiet from everyday life, too much of the land overlooking the Outwoods has already been lost forever,</p> <p>Take a walk along the footpaths adjoining the land you want to build on, we don't all take our cars to the Outwoods lots of us prefer to walk up there, walk the footpaths, view the fields, watch and listen to the skylarks that nest in the fields you want to build on, is this what you want to be remembered for, destroying what the people of Charnwood hold dear.</p> <p>Plant trees to extend the national forest and enhance the Outwoods instead of destroying the views we love so much.</p>		No
