<p>The farmers fields in HA17 & HA17 form a most beautiful buffer between the Outwoods the edge of Loughborough. Having seen the proposed plans to fill this buffer with housing is appalling. Whilst I understand the need for expansion and housing to remove such a beautiful piece of land is not the most appropriate way to do it. The fields are used by all members of society to walk dogs, exercise and to get back to nature away from the bustle of the town. To have such a beautiful asset within reach should be celebrated not demolished.</p>		No
