We would like to register our worries and objections regarding the plans for more housing in Anstey. [REDACTED]
[REDACTED] and the volume and speed of the traffic first thing in the morning and early evening is already very heavy. Also the speed of vehicles coming down the hill is faster than the speed limit making it difficult at times to exit our drive. We believe that the roads will be very congested and dangerous if all of these houses are allowed to be built.
Kind regards Colin and Kay Knowles
