WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>Once again, the people of Queniborough are being overrun with new housing estates. In my opinion, this will take away the character of the village and we may as well become part of the suburb of Leicester.</p> <p>New proposal for new housing , particularly HA64 and HA65 has been turned down on a number of occasions and the objections I have mentioned in the past , in my opinion, still stand</p> <p>If the plan goes ahead, I can see no comments saying that the infrastructure will be improved and therefore, how will the local schools, doctors etc be able to cope with a big increase in people.</p> <p>The original planes showed that access, to both sights, will be from the main Melton Road. This is very busy, despite the bypass. and therefore I can imagine that this will no doubt cause accidents and traffic problems .</p> <p>As the Queniborough Neighbourhood Plan has been approved by the local villagers, does this not have any bearing on the decision.</p> <p>I appreciate that HA4 and HA60 are not technically in Queniborough, I still feel that this will also haave a negative affect on our village.</p>		No
