WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>4(2) Not sound, not justified</p> <p>The Local Green Space conclusion says for the site states</p> <p>if the current planning application was approved it would result in the site not being able to endure beyond the end of the plan period.</p> <p>This has not addressed the circumstances under which the Leconfield Road open space is capable of enduring. Does that mean that the site is 'capable of enduring beyond the end of the plan period if the planning application is not accepted?'</p>	<p>Leconfield must be given Local Green Space status as this conclusion is all that is preventing designation.</p> <p>Remove the final paragraph of the 'sustainability assessment' on page 2.</p> <p>This removes the only objection to Leconfield being assigned Local Green Space designation. It must now be given Local Green Space status.</p>	<p>No</p>
