WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>You do not make it easy for a resident to simply express their displeasure with the 'Local Plan'. I do not know if the plan is compliant/unsound/etc etc. But I would like to be heard. The 1111 new homes per year requirement imposed by central government may be politically motivated, simply to generate an economic stimulus. Where is the evidence that these new homes are required? I thought that the population is reducing in size. The problem with building without upgrading the road access would be a scandal. HA43 in Anstey would be reliant on access to Bradgate Road from a blind junction. Part of HA43 is on a the flood plain - the housing equivalent of combustible cladding on high-rise flats. There is the possibility of accusations of political motivation with the villages chosen to take the 'hit'. Woodhouse Eaves, Woodhouse, Rothley, Cropston, Mountsorrel, Burton on the Wolds,Walton on the Wolds,Seagrave, Newtown Linford, Hoton all escape new housing. These are the Conservative heartlands of Charnwood. This cannot be coincidence?</p> <p>Thank You for this opportunity.</p>	<p>Address the above</p>	<p>No</p>
