Reference proposed housing HA35. This is outside a natural boundary ie the opposite side of Black Brook to Shepshed. The road connecting it to Shepshed is very narrow including the bridge over the Black Brook and Belton Street into Shepshed Market place. Totally unsafe for walking or cycling along. You have already allowed building both sides of the Hallamford Road portion making widening/footpath adding difficult. Proposed housing ? HA30 Your key does not indicate what the striped colouring means.		No
