WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>A long, long time ago I moved to Loughborough as a two year old when my parents purchased a house [REDACTED] At that time they were told it was greenbelt land and would never be built on.</p> <p>Some 40+ years later we have houses on the so-called greenbelt land all of the way up to the sports field and now Charnwood are proposing to build further along and more towards the Outwoods. At what point are we going to have houses built which back directly onto the Outwoods?</p> <p>I strongly object to this plan reducing our access to nature yet again, proposing removing ancient hedgerows which are situated at the Bridle path which runs from Valley Road (opposite Beacon Road junction) up to the Outwoods which the housing is cutting directly across. I recall in my childhood meeting a scientist who was trying to date the bridle path and they said it was significantly ancient.</p>	<p>Remove the housing plan from the Outwoods side of Loughborough.</p>	<p>No</p>
