Dear Sir,

Reference the house building in the areas of Barkby, Barkby Thorpe, Thurmaston, Syston, Queniborough, etc.

None of this building should be started, before the council has the sense, to update all the roads first.

Cannot anyone understand, that all the roads concerned, are just narrow country lanes.

The planners only have to look at Barkby Thorpe Lane, to see that most days, this lane is extremely congested.

All the routes concerned are just wide enough to take 2 cars either way, so imagine when the trucks are delivering all the

materials, it will be mostly gridlocked, putting lives at risk!!

Please make sure this e mail is recorded.

Thank you,
