WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>I feel that the previous developments have already gone further than they should in terms of number of houses and make the points below with regard to the HA15 plans around Woodthorpe hamlet and surrounding area</p> <ul style="list-style-type: none"><li>• Quorn will be only one field away from becoming part of Loughborough<ul style="list-style-type: none"><li>• Developments in this area are not sustainable</li></ul></li><li>• The existing traffic congestion will further deteriorate, especially at One Ash and Woodthorpe traffic islands and along Terry Yardley Way (A6004)<ul style="list-style-type: none"><li>• Further dependency on car use (there are no plans for bus routes) and an associated reduction in road safety<ul style="list-style-type: none"><li>• Potential increase in crime and anti-social behaviour</li></ul></li><li>• Loss of recreational and leisure facilities especially in the vicinity of Woodthorpe hamlet</li></ul></li><li>• There will be a significant lack of primary and secondary schooling and doctors surgeries for the new developments. Current amenities and services are already overwhelmed with the recent developments<ul style="list-style-type: none"><li>• Woodthorpe will be lost as a heritage hamlet, having been separate for over 1000 years<ul style="list-style-type: none"><li>• Wildlife corridors, green footpaths and recreational routes will be lost</li></ul></li><li>• Good agricultural land will be lost and the environment irrevocably damaged</li></ul></li></ul> <p>Many thanks</p> <p>Adam Hubbard</p>		No
