WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>I do not agree with building so many new houses in our village. The plan does not suggest how they will deal with extra traffic/parking as this is already an issue as most houses on Seagrave Road and Old Gate Road don't have off-road parking.</p> <p>The junction on A46 is already dangerous without adding 2-3 vehicles per household on the road.</p> <p>The plan doesn't give a timeline of how long it will take to build these and the subsequent disruption to lives of all local residents.</p> <p>The local school does not have the additional spaces to accommodate x-amount of new children possibly living in the village which will add to extra rush hour traffic.</p> <p>Overall, this plan has not been thought through at all and forced upon local residents without any previous consultation. I fear that there is no thought for any other improvement to local infrastructure and no concern about wildlife.</p>		No
