Subject: New builds

I can't believe there building around Syston again.

The people in charge of passing these plans obviously doesn't live in Syston.

We have trouble getting an appointment with the Doctors now especially taking on East Goscote.

The infrastructure will barely cope Syston will be gridlocked with the extra cars, the roads can only just cope now at certain times. Talking from experience nothing will change on the road front, so looking forward we will have a long wait when we want to travel any where. All in all please look at the plans for these new builds and reconsider.

Bill Kettle.
