**Subject:** Building of new houses on our precious green fields in Leicester/Leicestershire

Hi

It is with utter disgust that the council will be building a large number of houses on the fields in and around Barkby Thorpe, Thurmaston and Syston. Leicester is already heavily populated with houses. It is imperative that greenfield sites, and Farms that are used to grow crops are not taken over and destroyed. I hereby declare my disappointment and hope this is not approved.

Kind Regards
